

A large, 3D-rendered globe composed of interlocking puzzle pieces, positioned on the right side of the slide. The globe is partially assembled, with several pieces missing and scattered on the white surface below it. The puzzle pieces are light blue with dark blue outlines. The globe is set against a light blue background that transitions into a white background at the bottom. An orange horizontal bar with a white border is positioned across the middle of the slide, containing the text "BERNDORF BAND GROUP".
